## Instructions

**You must submit Form RP-425-IVP with this form when applying for the Enhanced STAR exemption.**

### General information

The Enhanced STAR exemption reduces the school tax liability for qualifying senior citizens by exempting a portion of the value of their home from the school tax.

To qualify, the home must be:

- owner-occupied, and
- the homeowners' primary residence.

The combined 2020 income of all owners, and any spouses who reside on the property must be less than or equal to \$92,000 **and** you must have had a STAR exemption on the same property for the 2015-2016 school year.

### Who should use this form:

You are not generally required to reapply annually for the exemption, but you must advise the assessor if the property is no longer your primary residence. You are required to reapply for the exemption if the ownership of the property has changed due to:

- marriage,
- divorce,
- surrender of interest by a co-owner,
- survivorship,
- trusts,
- life estates, or
- name change(s).

**Deadline:** You must file this application **and proof of income and Form RP-425-IVP** with your local assessor on or before the applicable taxable status date, which is generally March 1.

### Exceptions:

- In the Village of Bronxville, it is January 1.
- In Nassau County, it is January 2.
- In Westchester towns, it is either May 1 or June 1.
- In cities, check with your assessor.

For further information, ask your local assessor. Visit our website or your locality's website to find your local assessor's contact information.

**Do not file this form with the New York State Department of Taxation and Finance or the Office of Real Property Tax Services.**

### Application instructions

Print the name and mailing address of each person who **owns** the property, including any non-resident owners. (If the title to the property is in a trust, or is held in a life estate, the trust beneficiaries or life tenants are deemed to be the owners for STAR purposes.) There is no single factor which determines whether the property is your primary residence, but the assessor will consider factors such as voting location, automobile registrations, and the

length of time you occupy the property each year. The assessor may ask you to provide proof of residency and ownership. For the enhanced exemption, proof of age may also be required.

You can find the parcel identification number on either the assessment roll or your tax bill.

### Proof of income for STAR purposes

You are required to submit proof of income with this form. Proof of income is your 2020 federal or state income tax return. **Do not** submit your 2021 tax forms. If you were not required to file a federal or New York State income tax return for 2020, complete Form RP-425-Wkst, *Income for STAR Purposes Worksheet*, and submit it to the assessor along with this form. To determine your income eligibility, use the following table to identify line references on your 2020 federal or state income tax returns.

Form number	Title of income tax form	Income for STAR purposes
Federal Form 1040	U.S. Individual Income Tax Return	Adjusted gross income (line 11) <b>minus</b> taxable portion of IRA distributions (line 4b)
NYS Form IT-201	Resident Income Tax Return	Federal adjusted gross income (line 19) <b>minus</b> taxable portion of IRA distributions (line 9)
